Dear Jamie and Sue,

Roll on May. I've got my fishing tackle ready to go and I've arranged for your mother to stand near me and scare the mosquitos and any predators lurking in the jungle.

I've been working on my diet and to date I've put three stones on in four months.

We're taking a large amount of money with us, (up to £17 each) so we have something to spend and on the hotel website I saw a whale swimming just offshore with a tee shirt on that said 'Save the Margaret' on.

Speak to you soon.
